SPARKLING SHIRAZ

Region

McLaren Vale enjoys a reputation for producing high quality Shiraz and Grenache along with some alternative varieties from Italy and Spain. Elevation peaks at 350 metres along the Sellicks foothills with these vineyards influenced by the cooler gully winds, making them ideal for white wine and cooler climates.

Majority of vineyards are located on gently undulating land with strong coastal influences. The Mediterranean climate is characterised by moderate winters, warm summers and predictable winter rainfall.

Tasting Comment

This premium sparkling wine shows an alluring dark garnet colour and a bouquet of rich, complex fruit and oak maturation. Rich full bodied fruit flavours are evident on the palate and are supported by structured tannins and understated sweetness.

Suggested pairings: this all-rounder can be served with appetizers, throughout your roast dinner and even into dessert with creamy nuts and tasty cheeses.
