

Australia and New Zealand Wine Tasting

WARSAW
1 OCTOBER 2026

Welcome to our Australia and New Zealand Wine Tasting

Hello and welcome to our first Australia and New Zealand Wine Tasting in Warsaw.

The Aussies and Kiwis have lots in common: fine wine, great food, stunning scenery, the cool Southern Ocean and also our cool Antipodean attitude.

Our wines are an expression of our distinctive terroirs and the vibrant communities that craft them. Perfecting traditional techniques and inventing our own ways of doing things, we push the boundaries in the pursuit of the most diverse, thrilling wines in the world.

Today, we are showcasing more than 300 wines from 60 producers, ranging from international superstars to small boutique newbies. Taste the wines that have put Australia and New Zealand in the spotlight and discover exciting new styles that are coming out of the two countries. You'll find wines from 25 regions across Australia and New Zealand, and 21 different grape varieties.

We love to craft exceptional wine while protecting our natural wonders for future generations to enjoy. At the tasting, you can meet organic, biodynamic and sustainable champions and find out how our producers are nurturing the land, supporting regional communities and establishing resilient businesses.

Some of the wineries today you may be familiar with, but others you might not have come across before. We extend a particularly warm welcome to our 'new to market' Australian and New Zealand producers. Discover 140 new wines from wineries seeking distribution in Poland. Australian wines include old vine Barossa Shiraz, Tasmanian still and sparkling, alternative varieties from McLaren Vale, and a chocolate infused fortified wine. New Zealand wines seeking distribution include red blends from Auckland, Central Otago Riesling and Pinot Noir, and low alcohol wines from Marlborough.

If we can help to answer questions, educate or inspire you, please don't hesitate to ask one of the Wine Australia or New Zealand Winegrowers team or drop us a line on europe@wineaustralia.com or sarahs@nzwine.com.

Don't forget to share your discoveries with us and your fellow tasters. You can join the online conversation with the hashtags [#aussiewine](#) [#nzwine](#).

We hope you enjoy the tasting and look forward to hearing your feedback.

Like the four P's of marketing, we believe in the four P's of Wine: Place, People, Passion, and Philosophy. For five generations and over one hundred years the Borthwick family have built a farming, wine and food legacy and now the current generation are continuing to grow that story. Established in 1996 adhering to the traditional values of winemaking, the 27 hectares of vines meld easily into a landscape that is exceedingly sought after. After 46 vintages internationally and 26 from the home vineyard, Paddy grows and makes wine instinctively and has the confidence to take risks where others hedge their bets.

Small Wonder crafts expressive, cool-climate wines from two of Tasmania's leading cool-climate regions: a certified organic vineyard in the Tamar Valley and a second site in the Coal River Valley, currently in organic transition. All wines are hand-harvested, made and bottled on-site at a purpose-built winery in the Tamar Valley. Winemaking is light-touch yet precise: wild ferments, gentle lees work, restrained oak and gravity-led handling. With small-batch fermentations and block-by-block vinification, each wine reflects its site, soil and season. A new cellar door and restaurant are set to open in 2026, further elevating Small Wonder's role in Tasmanian wine and tourism.

The name Thorn-Clarke derives from the relationship between two Barossa families – the Thorns, who nurtured some of the regions oldest vines, and the Clarkes, who discovered treasure buried in its bounteous soil. These two families came together to create our family, our winery and, some might say, our destiny: to produce wines worthy of gold. Today, Thorn-Clarke Wines remains a 100% family-owned producer with 6 generations of grape-growing and geological heritage. Te Kano means the seed. Our story begins with the Old Man Kōwhai, a centuries-old tree overlooking our Northburn vineyard. It has endured through generations, becoming a reminder that the best things are shaped by time. Across the distinct landscapes of Central Otago and Waitaki, we grow wines that reflect where they come from. Each vineyard is farmed with care, allowing every site to express its own character.
