"Classic cool ferment in steel. Aromatic, but not over the top. Cape gooseberry, yellow grapefruit, sugar snaps, nashi, elderflower, tart Fuji apple. It's flavourful, dry and crisp, relying on quality fruit and smart picking times for a fine result."

Adelaide Hills Wine Show, 2025

"Riper notes on show here from the outset, the tropical fruits have a creaminess that slides nicely into the palate, some spice as well in the acidity on the palate. Zesty and tangy as it should be."
