## 2022 RSW

### Shiraz

WIRRA WIRRA

#### McLaren Vale Wine Show 2025

---

TROPHY - BEST THREE YEAR OR OLDER SHIRAZ  
TOP GOLD - 96 POINTS

#### The Real Review, Melissa Moore - NOV 2025

---

##### 94 POINTS

"Concentrated, deep and dark, with blackberry and black cherry confit aromas swirling around alongside cedar and dark chocolate hints. This is a bold wine, with a creamy mid-palate, it's rich and succulent, with savoury, saline Danish liquorice streaks running through the furry tannins. A big wine that needs time—hide it away and come back to it"

#### The New Zealand International Wine Show - OCT 2025

---

SILVER - 94 POINTS

#### Halliday Wine Companion, Marcus Ellis - AUG 2025

---

##### 96 POINTS

"A mild season, again, and an elegant RSW, though still bristling with dark berries and plum, with some blue fruit echoes. Black tea, dried violet, some dried olive, dark panforte and amaro, licorice powder, old leather and tar. There's an appealing savouriness to this, and a weight that sits below the fuller side of things, the detail clearly rendered, the tannic architecture resolute but not strident. It's a very good release."

#### JamesSuckling.com - OCT 2024

---

##### 94 POINTS

"Aromas of mulberry bush, licorice, bay leaves and iodine on the nose. The palate is full-bodied with finely integrated tannins and a plush mouthfeel, giving notes of mocha, salt bush and blackcurrants. Velvety tannins and a seamless finish. Made from 50-year-old vines farmed biodynamically, showing a high level of sophistication and polish. Excellent. Drink or hold."

#### Vinous, McLaren Vale Report, Dr Angus Hughson - APR 2025

---

##### 95 POINTS

"The 2022 Shiraz RSW is a sturdy rendition of this label, packed tight with dense fruit and surprising structure. It offers tight, brooding and focused aromas of dark earth, blackberry, spice and dried herbs. That savory theme continues thanks to a firm meaty core of flavor and robust gravelly tannins. The 2022 is impressive and built to last."
