"Labelled with "Certified Organic" credentials, this has a heap of attraction all over its front end – fleshy ripe plums, mocha powder, with a judicious edge of spice and bitters in the palate to contrast all the inherent berry flavour. Plenty of power for those who fancy a bit of extra torque."

"Rich ruby with a full purple tint at the rim. Mulberry and mocha aromatics. Dense and powerful but doesn't overbear the palate. Ripe blue fruits, dusty earth and mocha notes are all in harmony. Tannins are quite gravelly, ensuring there's a contrasting tension to the fruit's generosity. Flows long and finishes with a bone-dry crunch. A lot of bang for buck and will offer cellaring rewards."

"A generous, full bodied shiraz. Defined by exuberant aromas of lilacs, iodine and purple fruit set in relief against a deftly hewn tannic structure with hints of licorice and a ripple of maritime freshness. Pepper and clove notes grown in intensity as the tannins compress and release flavour in incremental bursts. A warmer climatic expression with a complex cool aura. From organically grown grapes. Drink or hold. Screw cap."
