## Lavoro Range

McLaren Vale | 2025

GRENACHE ROSE

Alc: 12%

### Region

McLaren Vale enjoys a reputation for producing high quality Shiraz and Grenache along with some alternative varietals from Italy and Spain. Elevation peaks at 350 metres along the Sellicks foothills with these vineyards influenced by cooler gully winds, making them ideal for white wine and cooler climate varieties.

### Tasting Comment

Aromas are strawberries and cream, guava, dragon fruit and watermelon. The palate is dry and fresh but is bursting with fruit flavours of strawberry, guava and pawpaw that linger in the mouth after the wine is swallowed. A very easy to drink and refreshing rose.

Suggested pairing: perfect of a summer antipasto platter carved with ham off the bone, soft cheese and dried fruit.
