Lavoro Range

McLaren Vale | 2022

CABERNET SAUVIGNON

Alc: 14.5%

Region

McLaren Vale enjoys a reputation for producing high quality Shiraz and Grenache along with some alternative varietals from Italy and Spain. Elevation peaks at 350 metres along the Sellicks foothills with these vineyards influenced by cooler gully winds, making them ideal for white wine and cooler climate varieties.

Tasting Comment

A medium deep brick red with brick red hue. This wine displays layered aromas of mulberries, blackcurrants, raspberry and tomato leaf with subtle oak. The palate is medium weight and easy to drink but still well-structured and integrated. Flavours of mulberry and blackcurrant linger.

Suggested pairing: with your chargrilled steak or lamb cutlets or a flavoursome mushroom dish.
