FELIX CASPAR WINES

2023 "MURRAY"

Variety:	Cabernet Sauvignon
Region:	Wilyabrup, Margaret River
Soil Type:	Gravel Loam
Wine Analysis:	Alc/Vol: 13.9%, pH 3.6, TA 6.2

Winemaking:
Our 2023 "Murray" Cabernet Sauvignon was hand-picked, gently destemmed and wild fermented in open concrete fermentation tanks. The wine was basket pressed after 15 days on skins and transferred to old French oak for a period of 13 months before bottling.

Reviews:
Outside of the box of Margaret River but super righteous wine. That's the spirit here. It's slurpy and soft but the tannin rumble does its job. It feels very pure, dark, inky, rich and ripe with plum and blackberry intensity slipped into charry spice, dark chocolate, liquorice and chamomile characters. There's intensity but supreme drinkability here.

Rated : 93 Points
Price : AUD$45
Closure : Cork with wax
Drink : 2025 - 2036
