

Australia and New Zealand Trade Tasting

ANTWERP
28 SEPTEMBER 2026

Welcome to our Australia and New Zealand Trade Tasting

Hello and welcome to our first Australia and New Zealand Trade Tasting in Antwerp.

The Aussies and Kiwis have lots in common: fine wine, great food, stunning scenery, the cool Southern Ocean and also our cool Antipodean attitude.

Our wines are an expression of our distinctive terroirs and the vibrant communities that craft them. Perfecting traditional techniques and inventing our own ways of doing things, we push the boundaries in the pursuit of the most diverse, thrilling wines in the world.

Today, we are showcasing more than 350 wines from 100 producers, ranging from international superstars to small boutique newbies. Taste the wines that have put Australia and New Zealand in the spotlight and discover exciting new styles that are coming out of the two countries. You'll find wines from 29 regions across Australia and New Zealand, and 22 different grape varieties.

We love to craft exceptional wine while protecting our natural wonders for future generations to enjoy. At the tasting, you can meet organic, biodynamic and sustainable champions and find out how our producers are nurturing the land, supporting regional communities and establishing resilient businesses.

We extend a particularly warm welcome to our 'new to market' Australian and New Zealand producers. Discover 190 new wines from wineries seeking distribution in Belgium. Australian wines include old vine Barossa Shiraz, Tasmanian still and sparkling, and a chocolate infused fortified wine. New Zealand wines seeking distribution include red blends from Auckland, Central Otago Riesling and Pinot Noir, and low alcohol wines from Marlborough. Offering a range of styles and varieties, there's something for every buyer.

If we can help to answer questions, educate or inspire you, please don't hesitate to ask one of the Wine Australia or New Zealand Winegrowers team or drop us a line on europa@wineaustralia.com or sarahs@nzwine.com.

Don't forget to share your discoveries with us and your fellow tasters. You can join the online conversation with the hashtags [#aussiewine](#) [#nzwine](#).

We hope you enjoy the tasting and look forward to hearing your feedback.

SEEKING DISTRIBUTION

Australian Wineries is a collective of proudly independent, family-owned wine producers from across Australia's most respected wine regions. Each winery in the group represents generations of craftsmanship, regional character, and a deep commitment to producing wines that express the individuality of Australia's diverse landscapes. Their carefully selected portfolios are now held in a central warehouse, allowing buyers to conveniently source mixed pallet quantities from multiple producers in one place, all with European-ready back labels. The initiative has been organised by Michael Awin, of Awin Barratt Siegel Wine Agencies, who has spent more than forty years building bridges between Australia and Europe's wine communities.

Escarpment strives to produce wines that capture a unique sense of place. Our winery is based on Te Muna Road on the fabled distinctive alluvial gravels of the Martinborough Terrace, perfect for sublime Pinot Noir. “Te Muna” in the Maori language means “secret” or “special place”, and to us at Escarpment that is exactly how we feel about the land and what it means to live, grow and make wine there. We are focused on creating wines with an identifiable structure, complexity and fruit expression that reflect their distinctive sites and their regional Martinborough accent.

SEEKING DISTRIBUTION

Torbreck Vintners was created with the aim of building one of the finest wine estates in the world. Founded in 1994, over the ensuing years we have been fortunate to have had the opportunity to invest in the protection of some of the Barossa's (and the world's) oldest, most precious vineyards. Spread across 20km of the valley's western ridge, 200 acres of exceptional old vine sites dating back 170+ years. The historic Hillside Vineyard (Lyndoch, 1850), the Daylight Chamber Vineyard (Gomersal, 1900), The Laird Vineyard (Marananga, 1958), all join our home block the Descendant Vineyard under the custodianship of Torbreck.

Like the four Ps of marketing, we believe in the four Ps of wine: Place, People, Passion, and Philosophy. For five generations and over one hundred years the Borthwick family have built a farming, wine and food legacy and now the current generation are continuing to grow that story. Established in 1996 adhering to the traditional values of winemaking, the 27 hectares of vines meld easily into a landscape that is exceedingly sought after. After 46 vintages internationally and 26 from the home vineyard, Paddy grows and makes wine instinctively and has the confidence to take risks where others hedge their bets.

Penfolds' success has been driven by generations of visionaries. From the start, in 1844, to today, the merging of science, art, and innovation has driven Penfolds to become one of Australia's most famed and respected winemakers. SEEKING DISTRIBUTION

For over three decades, Man O' War has challenged convention – pursuing steep hillside viticulture on the rugged eastern edge of Waiheke Island. The resulting patchwork of coastal vineyards follow the land's natural contours, capturing distinct terroirs and producing a diverse range of varieties defined by both power and finesse. And now Swiftsure carries this same pioneering spirit South – crafting elegant, complex, wines from alpine vineyards established on low-yielding, high-altitude sites in Marlborough and Central Otago's Bannockburn.

Small Wonder
TASMANIA

Small Wonder crafts expressive, cool-climate wines from two of Tasmania's leading cool-climate regions: a certified organic vineyard in the Tamar Valley and a second site in the Coal River Valley, currently in organic transition. All wines are hand-harvested, made and bottled on-site at a purpose-built winery in the Tamar Valley. Winemaking is light-touch yet precise: wild ferments, gentle lees work, restrained oak and gravity-led handling. With small-batch fermentations and block-by-block vinification, each wine reflects its site, soil and season. A new cellar door and restaurant are set to open in 2026, further elevating Small Wonder's role in Tasmanian wine and tourism.

A distinctive specialist and exclusive importer of the finest wines from Australia and New Zealand, that's what we are. Choosing Australia as our specialty was inevitable, simply because it is one of the most diverse, dynamic, and high-quality wine countries in the world. The best from Australia is world-class, plain and simple. The same goes for New Zealand, that other beautiful wine country in the South Pacific that earns our special attention. The wine culture there is younger and the variety of wine styles more limited, but the promise this wine country holds can rightfully be called boundless.
